

Coupons and Discounts in LS Central

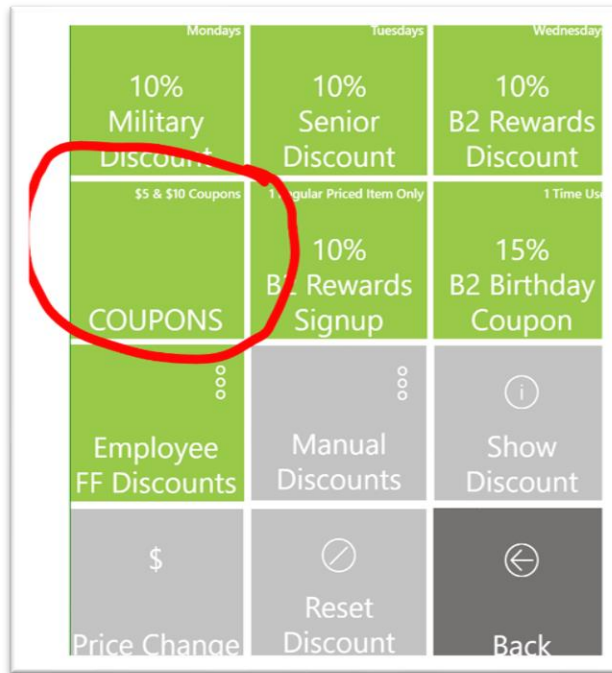

Coupons:

When a customer comes in with a B2 coupon for the \$5 Off & \$10 Off the entire transaction (when they meet the required purchase amount), there is now a specific discount button for this.

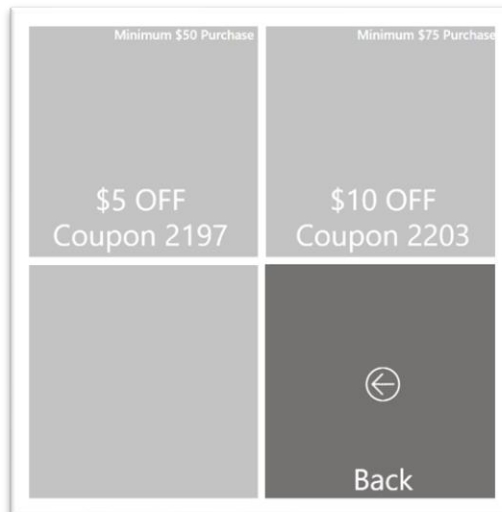

From the opening Sales screen you will select "Discounts"

This will take you to this menu, where you will now select “Coupons”

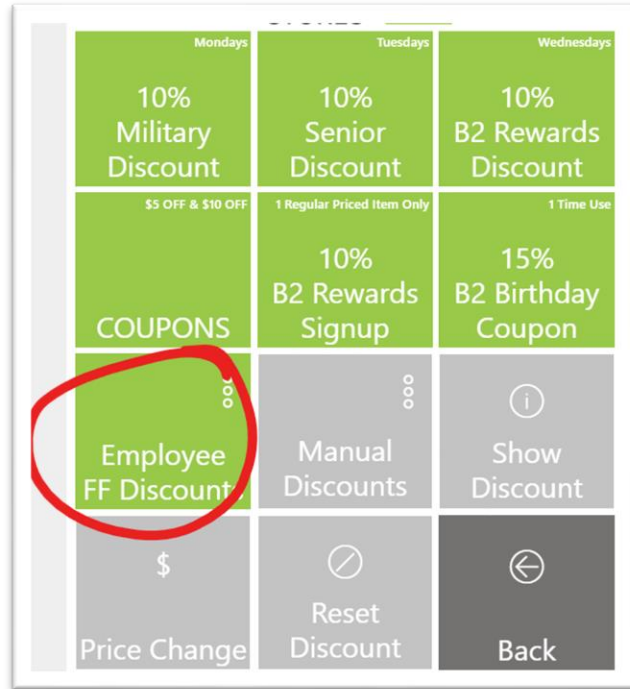

From there you will get the following options, you will just need to select the relevant option:

Employee Discounts:

From that same “Discounts” menu, this time select “Employee FF Discounts”

That will give you this menu option:
